LCL Offerings & Sailing Schedule

Rose's LCL division offers a wide selection of port pairings to and from the USA and Middle East. Direct sailings are available with Yang Ming (out of New York) and MSC (out of Houston) to Jebel Ali. From there, we offer on-carriage to a substantial number of established locations. Our team has enough capacity to book cargo as often as the carriers allow, with sailings that are approximately every 10 days. Rose is constantly improving our LCL offerings and is expected to have even more lanes in the coming years.
